MODERN

**EBRU**

MODERN EBRU

Ahmedin Beganović was born in 1965 in Priština. His interest for painting was shown very early. In the early student days showed interest for graphic techniques and contemporary art, that become his occupation. In 2012, Mr Beganovic revealed the old traditional technique of Ebru (marbling) that become his field of interest. The exhibition of artworks in Ebru technique is the first authors exhibitor in the virtual gallery Wikibition. Previously author takes part in several group exhibitions and in photo contexts.
